At Mundella Primary School Pre-School we aim to offer our families flexible early education arrangements (during term time) in line with current government guidelines as set out in the Kent Provider Agreement: ***Provision of Free Early Education and Childcare for Children Aged Nine Months to Four Years Old - 2024***. This sets out the 15- hour entitlement for parents of three- and four-year-olds (The Universal Entitlement) and the 15/30- hours entitlement for working parents of children aged nine months up to four years old (The Working Parent Entitlement).

15-hours:

- Mundella Pre-School offers the 15 hours universal free provision, funded by the government, available for all children from the term after the child's 3rd birthday.
- Parents may distribute these hours across the week in agreement with the Pre-School sessions.

30-hour:

- Mundella Pre-School will offer 30 hours of free early education to children of families who are eligible (working parent entitlement), from the term after the child's 3rd birthday from April 2025 (Term 4).
- Eligibility must be sought by the parent and eligibility code provided to Mundella Primary School with permission to validate eligibility with HMRC.
- Mundella Pre-School can only offer 30 hours free provision if an eligibility code has been issued to the parent prior to the academic term in which the free provision is to start.
- Parents must renew eligibility when prompted by HMRC and Mundella Pre-School will be notified by HMRC if child is no longer eligible for the 30 hours free provision.
- If a child is no longer eligible to receive funding for 30 hours, the family will enter a grace Period. KCC will contact Mundella Pre-School to notify us of those parents who have fallen out of eligibility and inform us of the grace period end date. KCC will continue to fund a place for a child who enters the grace period until the grace period end date.
- Children who are no longer eligible will continue to receive the universal free entitlement of 15 hours free early education each week.
- Mundella Pre-School is unable to reserve sessions once they have been dropped.

Notes on funding

- The government provides funding for 38 weeks per year. Mundella Pre-School will endeavor to ensure that each child receives their full entitlement.
- If during the term a child falls short of their entitlement, Mundella Pre-School may offer the child make-up sessions, subject to availability.
- Mundella Pre-School will discuss with parents if they feel they will exceed their entitlement.

Early Years Pupil Premium

Some parents may be eligible to apply for a pupil premium payment which will enable us to support the attainment of disadvantaged children. Qualifying criteria can be 'Economic', based on a parent being in receipt of certain benefits, or 'Other', for children who are in or have been in the care of the local authority. Please speak to the school office if you think you will qualify.

- The funding is based on 15 universal funded hours only
- We will fund a hot meal at lunchtime if your child attends during the lunchtime session.

Inclusion

Mundella Primary school is an inclusive and diverse primary school in the east of Folkestone, which teaches pupils from the ages of 3-11. We provide an irresistible, broad and balanced curriculum with the aim to meet the needs of all our pupils.

The curriculum is designed to make learning relevant and meaningful by embedding context and supporting pupil's prior knowledge. Mainstream Core Standards are used to support all children's

access to the curriculum with learning scaffolded to support learners' diverse needs. Teaching opportunities across the curriculum are designed to develop language and literacy so that pupils are ready for their next stage.

We actively liaise with parents to help them support their children's learning.

Mundella Pre-School fully supports the transition of nursery children into their reception year, however, in some cases a deferred entry to Reception class may be considered. This would remain at the Head teacher's discretion.

Admissions

- Admissions to Mundella Pre-School are made by and are the responsibility of the Local Academy Committee, in line with Local Authority Procedures
- A maximum of 15 children may attend any given session.
- During the academic year, if Mundella Pre-School does not have a waiting list, then places will be allocated to children on a first come, first served basis, providing the child is at least 3 years old.
- After parents complete an 'expression of interest form' and a space is available we will contact you to arrange a visit with your child and some settling sessions and an induction pack.
- It is vital that the provision can meet the needs of all children accessing it. If we assess the setting is not suitable or compatible for all children, we may not offer a space but we will work with the family to signpost them to more suitable provisions and support services.
- In the event of Mundella Pre-School being over-subscribed the nursery will operate a waiting list using the criteria below:
