

- All Veritas schools have a similar approach to meeting the needs of pupils with Special Educational Needs/ and or disabilities
- All schools embrace inclusion for all pupils including those with Special Educational Needs/ and or disabilities.
- Our Trust vision is 'Irresistible Learning for All', and we stand by the Trust values of Inspiration, Innovative and Inclusive <a href="https://www.veritasmat.co.uk/page/?title=Mission%2C+Vision+and+Values&pid=9">https://www.veritasmat.co.uk/page/?title=Mission%2C+Vision+and+Values&pid=9</a>

## This document should be looked at together with:

Kent County Councils local offer https://www.kent.gov.uk/education-and-children/special-educational-needs/about-the-send-local-offer

Who are the best	t people to talk to in this school about my child's difficulties with learning/ Special Educational Needs/Disability (SEND)?
Class teacher	<ul> <li>They are responsible for:</li> <li>Ensuring that all children have access to good/outstanding teaching and that the curriculum is adapted to meet your child's individual needs (known as differentiation).</li> <li>Checking on the progress of your child and identifying, planning and delivering any additional help your child may need (this could be things like targeted work, additional support, adapting resources etc.) and discussing amendments with the SENCO as necessary.</li> <li>Ensuring that all members of staff working with your child in school are aware of your child's individual needs and/or conditions and what specific adjustments need to be made to enable them to be included and make progress.</li> <li>Ensuring that all staff working with your child in school are supported in delivering the planned work/programme for your child, so they can achieve the best possible progress. This may involve the use of additional adults, outside specialist support and specially planned work and resources.</li> <li>Ensuring that the school's SEND Policy is followed in their classroom and for all the pupils they teach with any SEND.</li> </ul>
Mrs L Wharmby- SENCO (Special Educational Needs Co-Ordinator) Mrs C Gretton- SENCO Assistant	<ul> <li>Responsibilities:</li> <li>Coordinating all the support for children with special educational needs (SEN) and or disabilities, and developing the school's SEND Policy to make sure all children get a consistent, high quality response to meeting their needs in school.</li> <li>Ensuring that you are involved in supporting your child's learning; kept informed about the support your child is getting; involved in reviewing how they are doing; and part of planning ahead for them.</li> <li>Liaising with all the other people who may be coming into school to help support your child's learning e.g. Speech and Language Therapy, Educational Psychology etc.</li> <li>Updating the school's SEND record of need, (a system for ensuring all the special educational, physical and sensory needs of pupils in this school are known and understood) and making sure that there are consistent records of your child's progress and needs.</li> <li>To provide specialist support for teachers and support staff in the school so they can help your child (and other pupils with SEN and/or disabilities in the school) to achieve their potential.</li> <li>Supporting your child's class teacher to write Provision plan that specify the individual targets set for your child to achieve.</li> <li>Organising training for staff so they are aware and confident about how to meet the needs of your child and others within our school.</li> </ul>

	<ul> <li>Supporting the transition of all SEND children new to the school, or leaving the school. Supporting the transition of vulnerable pupils who need transition plans for moving to new classes.</li> <li>Provide assessment evidence to support children who may need access arrangements for SATs</li> </ul>	
	Contact the school SENCO/ SENCO assistant by email on <a href="mailto:senco@mundella.kent.sch.uk">senco@mundella.kent.sch.uk</a> or on the schools main telephone number 01303 252265.	

PEOPLE WHO SUPPORT CHIL	DREN WITH SPECIAL EDUCATIONAL NEEDS/ A		ISABILITIES IN OUR SCHOOL	
Teaching assistants may be allocated to support some pupils with SEN and or Disabilities.	A Teaching Assistant (TA) or Senior Teaching Assistant (STA) may be allocated to support pupils with special educational needs and/or disabilities on an individual or group level. Whilst they take a very valuable role in your child's education we would prefer that questions regarding your child's learning and progress are directed to the class teacher in the first instance. Of course, as a school we welcome daily dialogue between parents and TAs on how a child's day has been and we do actively encourage this continued feedback.			
Co- Headteachers	They are responsible for:			
Mrs L Paez Mrs L Wharmby	<ul> <li>The day to day management of all aspects of the school, this includes the support for children with SEN and/or disabilities.</li> <li>They must make sure that the Governing Body is kept up to date about any issues in the school relating to SEND.</li> </ul>			
AHT & Phase 1 Leader (YR & 1) Mrs L Blunden	Contacted by: Head tea	achor's	Headteacher@mundella.kent.sch.uk	
	SENCO		senco@mundella.kent.sch.uk	
<u>Phase 2 Leader (</u> Y2, 3 & 4)	Phase 1	Leader	lblunden@mundella.kent.sch.uk	
Mrs L James	Phase 2	Leader	ljames@mundella.kent.sch.uk	
Phase 3 Leader (Y5 &6)	Phase 3	Leader	parnhama@mundella.kent.sch.uk	
Miss A Parnham				
<u>SEND Governor</u> Mrs G Keith-Hill	<ul> <li>What is the SEND governor's role?</li> <li>Making sure that the necessary support is made for any child who attends the school who has SEN and/or disabilities.</li> </ul>			
	<ul> <li>Making visits to understand and monitor ensure your child achieves his/her poten</li> </ul>	the supp	ort given to children with SEND in the sc	

The governor can be contacted by calling the school's main telephone number and requesting a message to be left for the school SEND
Governor.

# How does my child get help in school?

Children in school will get support that is specific to their individual needs. This may be all provided by the class teacher or may involve:

- Other staff in the school
- Staff who will visit the school from the Local Authority central services such as the Specialist Teaching and Learning Service (STLS) or Sensory Service (for students with a hearing or visual need).
- Staff who visit from outside agencies such as the Speech and Language therapy (SALT) Service.

Types of support provided using the Code	What would this mean for your child?	Who can get this kind of support?
of Practice (the document that schools use		
to plan their SEN and/or disabilities input).		
	The teacher will have the highest possible expectations for your child and all pupils in	
Class teacher input via quality first	their class.	All children in school receive this.
teaching.	<ul> <li>All teaching is based on building on what your child already knows, can do and can understand.</li> </ul>	
	• Putting in place different ways of teaching so that your child is fully involved	
	in learning in class. This may involve things like using more practical learning or providing different resources adapted for your child.	
	• Putting in place specific strategies (which may be suggested by the SENDCO or	
	staff from outside agencies) to enable your child to access the learning task.	
Specific small group work. This group may		Any child who has specific gaps in
be	Your child's teacher will have carefully checked on your child's progress and will have	their understanding of a
• run in the classroom or outside.	decided that your child has gaps in their understanding/learning and needs some	subject/area of learning.
• run by a teacher or (most often) a	extra support to close the gap between your child and their peers.	
Teaching assistant who has had		Some of the children accessing
training to run these groups.		intervention groups may be at the

These are often called Intervention groups by schools. (Stage of SEND Code of Practice: SEN Support, which means they have been identified by the class teacher as needing some extra support in school, after putting strategies in place at class level.)	<ul> <li>He/ She will plan group sessions for your child with targets to help your child to make more progress.</li> <li>A Teaching Assistant/teacher (or outside professional like a Speech and Language Therapist) will run these small group sessions using the teacher's plans, or a recommended programme.</li> </ul>	stage of the SEND Code of Practice called <b>SEN Support</b> , which means they have been identified by the class teacher as needing some extra support in school, after putting strategies in place at class level.
Specialist groups run by outside agencies         e.g. Speech and Language therapy OR         Occupational therapy groups         AND/OR Individual support for your         child, as a guide of around 20         hours and below in school         Stage of SEN Code of Practice:         SEN Support, which means they have been         identified by the class teacher/SENDCO as         needing some extra specialist support in         school from a professional outside the         school. This may be from:         Local Authority central services such as         STLS or Sensory Service (for students with a         hearing or visual need)         Outside agencies such as the Speech and         Language therapy (SALT) Service.	<ul> <li>If your child has been identified as needing more specialist input instead of or in addition to quality first teaching and intervention groups, referrals will be made to outside agencies to advise and support the school in enabling your child to make progress.</li> <li>Before referrals are made you will be asked to come to a meeting to discuss your child's progress and help plan possible ways forward.</li> <li>If it is agreed that the support of an outside agency is a way forward, you will be asked to give your permission for the school to refer your child to a specialist professional e.g. a Speech and Language Therapist or Educational Psychologist. This will help the school and yourself understand your child to understand their needs better.</li> <li>The specialist professional will work with your child to understand their needs and make recommendations, which may include: <ul> <li>Making changes to the way your child is supported in class e.g. some individual support or changing some aspects of teaching to support them better</li> <li>Support to set targets which will include their specific professional expertise</li> <li>Your child's involvement in a group run by school staff under the guidance of the outside professional e.g. a social skills group or sensory circuit</li> </ul> </li> </ul>	Children with specific barriers to learning that cannot be overcome through whole class good/outstanding teaching and intervention groups.

Specified Individual support	<ul> <li>The school may suggest that your child needs some agreed individual support or group support in school. They will tell you how the support will be used and what strategies will be put in place.</li> </ul>	
Specified Individual support This is provided via an Education, Health and Care Plan (EHCP) This means your child will have been identified by the class teacher/SENDCO as needing a particularly high level of individual and small group teaching (as a guide, 21 hours or more, in school), which cannot be provided from the resources already delegated to the school. Usually, if your child requires this high level of support they may also need specialist support in school from a professional outside the school. This may be from: Local Authority central services such as the STLS or Sensory Service (for students with a hearing or visual need) Outside agencies such as the Speech and Language therapy (SALT) Service, Occupational therapy service, Physiotherapy and/or CAMHS	<ul> <li>The school (or you) can request that the Local Authority carry out a statutory assessment of your child's needs. This is a legal process and you can find more details about this in the Local Authority (LA) based Local Offer, <a href="https://www.kent.gov.uk/education-and-children/special-educational-needs/support-for-school-age-children/send-support-in-schools">https://www.kent.gov.uk/education-and-children/special-educational-needs/support-for-school-age-children/send-support-in-schools</a></li> <li>Your child's school/setting will have been putting together a profile of your child's aspirations and needs over time, and you will have been involved as part of this process. The school will then meet with you and other professionals involved, and decide if it would be helpful to apply for a statutory assessment, and agree to any additional information and evidence that should be included from you, other involved professionals and them.</li> <li>After the school has sent in the request to the Local Authority (with a lot of information about your child's needs (as described in the paperwork provided), seem complex enough to need a statutory assessment.</li> <li>If this is the case they will look at the advice submitted and ask you and any other professionals involved with your child to write a report outlining your child's needs, if this is not already included, or information is missing. If they do not think your child needs this, they will ask the school to continue with the support at SEN Support.</li> <li>After the reports have all been sent in, the Local Authority will decide if your child's needs are severe, complex and lifelong. If this is the case, they will write an EHC plan. If this is not the case, they will ask the school to continue with the support at SEN Support and also set up a meeting in school to ensure a plan is in place to ensure your child makes as much progress as possible.</li> </ul>	Children whose learning needs are: Severe, complex and lifelong Need, as a guide, 21 hours or more, in school.

• The EHC Plan will outline the individual/small group support your child will	
receive, how the support should be used and what strategies must be put in	
place. It will also have long and short term goals for your child.	

#### How will we support your child with identified special needs starting at school?

- We will first invite you to visit the school with your child to have a look around and speak to staff
- If other professionals are involved, a meeting will be held to discuss your child's needs, share strategies used, and ensure provision is put in place before your child starts. This is often called a Transition meeting.
- We may make a home visit and also visit your child of they are attending another provision
- We may suggest adaptations to the settling in period to help your child to settle more easily
- You will be invited to a parent and child workshop if your child is starting Reception

#### How can I let the school know I am concerned about my child's progress in school?

- If you have concerns about your child's progress you should speak to your child's class teacher initially.
- If you are not happy that the concerns are being managed and that your child is still not making progress you should speak to the SENDCo, SEN Assistant or Headteacher.
- If you are still not happy you can speak to the school SEN Governor.

#### How will the school let me know if they have any concerns about my child's learning in school?

- When a teacher has concerns about your child's progress they will initially speak to you and outline what their concerns are and how they are supporting your child.
- If targeted teaching has not met the child's needs, the teacher will raise this with the SENDCo.
- Schools also have meetings every term between each class teacher and a senior staff member in the school to ensure all children are making good progress. This is another way your child may be identified as not making as much progress as expected.
- If your child is then identified as not making progress the school will make a decision about whether to monitor this or set up an intervention group.
- If your child is still not making expected progress the school will discuss with you, and create a provision plan for your child.
- Further interventions or referrals may be made to outside professionals to support your child's learning

# How do we ensure that the views of your child (and other children with SEND in the school) are used to plan for them and for SEND within our school?

- When devising EHC plans, Provision Plans or holding annual reviews pupils are involved in this process (children are encouraged to be an active part through using their voice, through class observation, conversations with adults that work closely to them or for pupils).
- School council provides a vessel for pupil voice and enabling them to make decisions.

#### How is extra support allocated to children and how do they move between the different levels?

The school budget, received from Kent County Council, includes money for supporting children with SEN. The Headteacher alongside the CEO of Veritas Multi Academy Trust decides on the budget for Special Educational Needs in consultation with the school governors, on the basis of the needs of the children currently in the school.

The Leadership team and the SENDCo discuss all the information they have about SEN in the school, including:

- the children getting extra support already
- the children needing extra support
- the children who have been identified as not making as much progress as would be expected decisions regarding what

resources/training and support is needed.

All resources/training and support are reviewed regularly and changes made as needed.

Who are the other people providing services to children with SEN in this school?

<b>Directly funded by the school</b> • SEN Assistant and Family Liaison Officer	
	<ul> <li>Additional Speech and Language Therapy input</li> </ul>
	Play Therapy
	TA led Phonics Interventions
	• 1:1 Tutoring
	<ul> <li>Senior Mental Health Lead (Mrs J Stockley)</li> </ul>
	Specialist Teaching and Learning Service
Paid for centrally by the Local	<ul> <li>Educational Psychology Service (Statutory Assessment)</li> </ul>
Authority or Heath services	<ul> <li>Sensory Service for children with visual or hearing needs</li> </ul>
but	• Speech and Language Therapy (provided by Health but paid for by the Local Authority).

delivered in school	<ul> <li>Occupational Therapy</li> <li>Professional training for school staff to deliver medical interventions</li> </ul>	
	• Kent County Council Inclusion Service for children at risk of school refusal or suspension.	
	School Nursing Team	
	Physiotherapy	
	CAMHS Outreach	
	Early Help Services or Social Care.	
Voluntary agencies	National Autistic Society ISSK

### How are the adults in school helped to work with children with an SEND and what training do they have?

The SENDCo's job is to support the class teacher in planning for children with SEN.

- The school has a school development plan, including identified training needs for all staff to improve the teaching and learning of children including those with SEND. This may include whole school training on SEND issues or to support identified groups of learners in school, such as ASD, dyslexia etc.
- Whole staff training to disseminate knowledge, strategies and experience, to ensure consistency of the school's approach for children with an SEND.
- Individual teachers and support staff attend training courses run by outside agencies that are relevant to the needs of specific children in their class e.g from the ASD Outreach service, STEPS and Sensory service or medical /health training to support staff in implementing care plans.
- Training takes place on a regular basis. If you would like to hear about the training which is currently taking place or has taken place by the staff members in the school, please speak to the Headteacher's or SENDCo.

# How will the teaching be adapted for my child with learning needs (SEN/ and or disabilities)

- Class Teachers plan lessons according to the specific needs of all groups of children in their class, and will ensure that learning tasks are adjusted in order to enable your child to access their learning as independently as possible.
- Specially trained support staff can implement the teachers modified/adapted planning to support the needs of your child where necessary.
- Specific resources, scaffolding and strategies will be used to support your child individually and in groups.
- Planning and teaching will be adapted on a daily basis if needed to meet your child's learning needs and increase your child's access to what is on offer.
- Use of appropriate technology to access the learning

Teachers will use the following document as a guide to provision <u>https://www.kelsi.org.uk/\_\_\_data/assets/pdf\_\_file/0004/117256/Special-educational-needs-</u> mainstream-core-standards.pdf

There is a handy guide for parents here: <u>https://www.kelsi.org.uk/\_\_data/assets/pdf\_file/0005/117257/Special-educational-needs-mainstream-core-standards-guide-for-parents.pdf</u>

# How will we measure the progress of your child in school? And how will I know about this?

- Your child's progress is continually monitored by his/her class teacher.
- His/her progress is reviewed formally every term and your child will be recorded as working above, at or below national expectations for their year group in reading, writing, maths and science as well as progress in other areas, as appropriate, such as attendance, engagement in learning and behaviour.
- If your child is in Year 1 and above, but is not yet working at national expectations for their year group, your child will be recorded in the year group they are working at on the school's assessment system. Assessments show how much progress or not your child has made.
- At the end of Key Stage 2 all children are required to be formally assessed using Standard Assessment Tests (SATS). This is something the government requires all schools to do and are the results that are published nationally. The previous Key Stage 1 SATS are now optional from the 2023/2024 academic year.
- Some children at SEN Support and with an EHC Plan will have additional targets which will be reviewed with your involvement, every term and the plan for the next term made. The progress of children with an EHC Plan are also formally reviewed at an Annual Review with all adults involved with the child's education. The SENDCO will also check that your child is making good progress within any individual work and in any group that they take part in, and through tracking their progress through levels of the National Curriculum.

A range of ways will be used to keep you informed, which may include:

Home/school book

- Letters/certificates sent home
- Parents meetings and additional meetings as required
- Copies of your child's provision plans are sent home with annual school reports
- Additional meetings as required

## How will we make arrangements to ensure that the social emotional needs of your child are met in school?

- The school has consistent provision for behaviour, pupil safety and safeguarding, and pastoral care with an exceptionally positive ethos where the achievement of all pupils is equally valued and difference celebrated. All children are taught to be polite, behave responsibly, show each other respect, and to be friendly and considerate especially towards children with SEND. Pupils' spiritual, moral and social and cultural development is consistently promoted within the school values through all areas of the curriculum.
- Clear expectations, a consistent timetable and regular routines provide the predictable environment which helps SEND children feel emotionally safe and secure. Our caring and committed staff provide excellent pastoral care, listening to and guiding pupils.
- Staff consistently apply an agreed whole school policy for managing behaviour using positive strategies and rewards balanced with clear and proportionate sanctions and our effective anti-bullying procedures. While clear boundaries support most pupils with SEND, some are provided with a specific, tailored reward programme.
- The school has very clear safeguarding and child protection procedures, taking a robust approach to ensuring children's well-being. We have an allocated link worker from CAMHS to support and advise staff to meet the social and emotional needs of children and their families.
- A few children may need additional individualised support with their emotional needs and these will be discussed with parents. If agreed these children may receive a block of play therapy, or nurture based support.

### How is our school made accessible for students with SEND?

We have equally high expectations for all pupils in our school but acknowledge some children need more help to achieve them.

Our curriculum is planned, scaffolded and differentiated to meet the full range of needs and abilities of our pupils, enable all pupils to access the learning and to succeed, and to support pupils with SEND make excellent progress.

We provide pupils with SEND with the additional or specialist resources, IT and equipment they need to learn effectively.

Every year group has at least 1 trained and skilled Teaching Assistant.

Each class offers targeted intervention where needed to meet the specific needs of pupils including speech and language early intervention groups which are run from Reception upwards.

Staff benefit from expert advice and training from a range of external agencies.

We provide assisted technology for any child who may need this by referring them to LIFT.

### How does our school make special arrangements for looked after Children (LAC) with SEND?

- The SENDCo or Designated teacher assistant (Mrs Gretton) consults with the 'virtual school' as appropriate for personalised support as required. We also liaise with the allocated social worker, to ensure all agencies are working collaboratively to develop an appropriate support package (PEP/EHCP) for each child. We review the child's needs and progress regularly, for example before entering the school to ensure a smooth transition from their previous setting and then at regular intervals.
- We ensure Pupil Premium Plus is being used to effectively enable the child to meet their outcomes.
- The SENDCo ensures that training and policies are supportive of looked after children with SEND.
- The Designated Governor for LAC works to ensure provision is enabling LAC with SEND to make good progress.

#### How have we made this school physically accessible to children with SEND?

• The majority of the school is accessible to children with physical disability via ramps to the main entrances throughout the building and we have toilets adapted for disabled access where possible.

We ensure that equipment used is accessible to all children regardless of their needs and can provide additional or different furniture e.g. tipping or adjustable height tables, chairs and other equipment according to individual children's needs.

• We are training in sensory circuit to support pupils with sensory needs. We also have a play therapy room and outside areas.

### How will we support your child when they are leaving this school or moving class?

We recognise that 'moving on' can be difficult for a child with SEN/and or disabilities and take steps to ensure that any transition is a smooth as possible.

- If your child is moving to another school, we will contact the new school's SENDCO and ensure he/she knows about any special arrangements or support that need to be made for your child. We will make sure that all records about your child are passed on as soon as possible.
- When moving classes in school, information will be passed on to the new class teacher in advance and in most cases, a planning meeting will take place with the new teacher. All plans will be shared with the new teacher.
- If your child would be helped by a book to support them understand moving on then it will be made for them.
- For Year 6, the SENDCo will attend the Primary Transition Day to discuss the specific needs of your child with the SENDCo of their secondary school. We will organise additional support as required.
